Continuation of Substance of Interview including description of the general nature of what was discussed: The Exr indicated that upon review of the prior art, claim 8 was not allowable as previously indicated. The Exr noted that the prior art teaches the use of adhesion improving underlayers it would have been obvious to add such a layer to the structure taught by Takahashi et al. It was noted that all other claims were in condition for allowance. Ms. Wanek agreed to the cancellation of claim 8 in order to put the case in condition for allowance. .
